Cardinal Technology Systems

Cardinal Technology Systems, Corp ("Cardinal") is an SBA Certified HUBZone and 8(a) company located in the National Capital Region (NCR). We have a ISO 9001:2015 certified Quality Management System (QMS). Cardinal is committed to providing high quality solutions to our customers. We have an ISO 9001:2015-certified Quality Management System (QMS), and the majority of Cardinal's personnel are Subject Matter Experts (SMEs) in Software Development, Cloud Computing, Database Administrations, Business Intelligence, Closed Circuit Television (CCTV) and Intrusion Detection System (IDS), Infrastructure Services, Advanced Analytics (e.g., GNR and Entity Analytics), and Project Support Services. Cardinal personnel also possess clearances ranging from DHS Level 2 Eligibility and CBP Level 2 BI clearance to DoD Top Secret (TS)/SCI + CI Poly.

Our staff of cleared SMEs enables us to rapidly engage new contract opportunities and support the most secure and sensitive Government IT systems for agencies such as the Defense Logistics Agency (DLA), U.S. Department of Homeland Security (DHS), Department of Defense (DoD), and Intelligence Community (IC).

Differentiators
